Dear Mr. Ramandeep Singh Gill,

Re: Review of CRISIL Rating on the Rs.100 Crore Long Term Principal Protected Market Linked Debentures of Muthoot Capital Services Limited

All ratings assigned by CRISIL Ratings are kept under continuous surveillance and review.

CRISIL Ratings has, after due consideration, reaffirmed its CRISIL PPMLD A+/Stable (pronounced as CRISIL PPMLD A plus rating with Stable outlook) rating on the captioned debt instrument. Securities with this rating are considered to have adequate degree of safety regarding timely servicing of financial obligations. Such securities carry low credit risk.

A prefix of 'PP-MLD' indicates that the instrument is a principal-protected market-linked debenture. The terms of such instruments indicate that while the issuer promises to pay back the face value/principal of the instrument, the coupon rates of these instruments will not be fixed and could be linked to one or more external variables such as commodity prices, equity share prices, indices, or foreign exchange rates. Therefore, payments on the rated instrument have significant risks other than credit risk. This could result in variability in returns because of adverse movement in value of the external variables, and/or possible material loss of principal on early redemption of the instrument. The risk of such adverse movement in price / value is not addressed by the rating.

In the event of your company not making the issue within a period of 180 days from the above date, or in the event of any change in the size or structure of your proposed issue, a fresh letter of revalidation from CRISIL Ratings will be necessary.

As per our Rating Agreement, CRISIL Ratings would disseminate the rating along with outlook through its publications and other media, and keep the rating along with outlook under surveillance for the life of the instrument. CRISIL Ratings reserves the right to withdraw, or revise the rating / outlook assigned to the captioned instrument at any time, on the basis of new information, or unavailability of information, or other circumstances which CRISIL Ratings believes may have an impact on the rating. Please visit www.crisilratings.com and search with the name of the rated entity to access the latest rating/s.As per SEBI circular (reference number: CIR/IMD/DF/17/2013; dated October 22, 2013) on centralized database for corporate bonds/debentures, you are required to provide international securities identification number (ISIN; along with the reference number and the date of the rating letter) of all bond/debenture issuances made against this rating letter to us. The circular also requires you to share this information with us within 2 days after the allotment of the ISIN. We request you to mail us all the necessary and relevant information at debtissue@crisil.com. This will enable CRISIL Ratings to verify and confirm to the depositories, including NSDL and CDSL, the ISIN details of debt rated by us, as required by SEBI. Feel free to contact us at debtissue@crisil.com for any clarification you may need.

Should you require any clarification, please feel free to get in touch with us.
