

Corporate Social Responsibility

At Muthoot Capital Services Limited, we believe that we have a purpose to pursue, a mission to accomplish beyond work, through every little thing that we do every day. Being an agent of transformation, we nurture a culture of empathy towards the common man rooted in our value system that has evolved over a period of time.

In our effort to integrate humanity with business, we have evolved a four - dimensional mission through **“HEEL”**, which expands to **H**ealth, **E**ducation, **E**nvironment, and **L**ivelihood. A glimpse of our activities during the FY 22 - 23 are illustrated in next few pages.

We shall continue with our efforts to touch more lives in future through Health, Education, Environment, and opportunities for a better Livelihood...
